

Do you have a granny
Who's fun and silly?

Well Otto does,
And so does Tilly.

Gaga knew how to
Play and have fun.

When she was around
She'd run after everyone!

When Gaga found out
Otto was ill

She moved to England
All the way from Brazil.

She wanted to help
And hang around

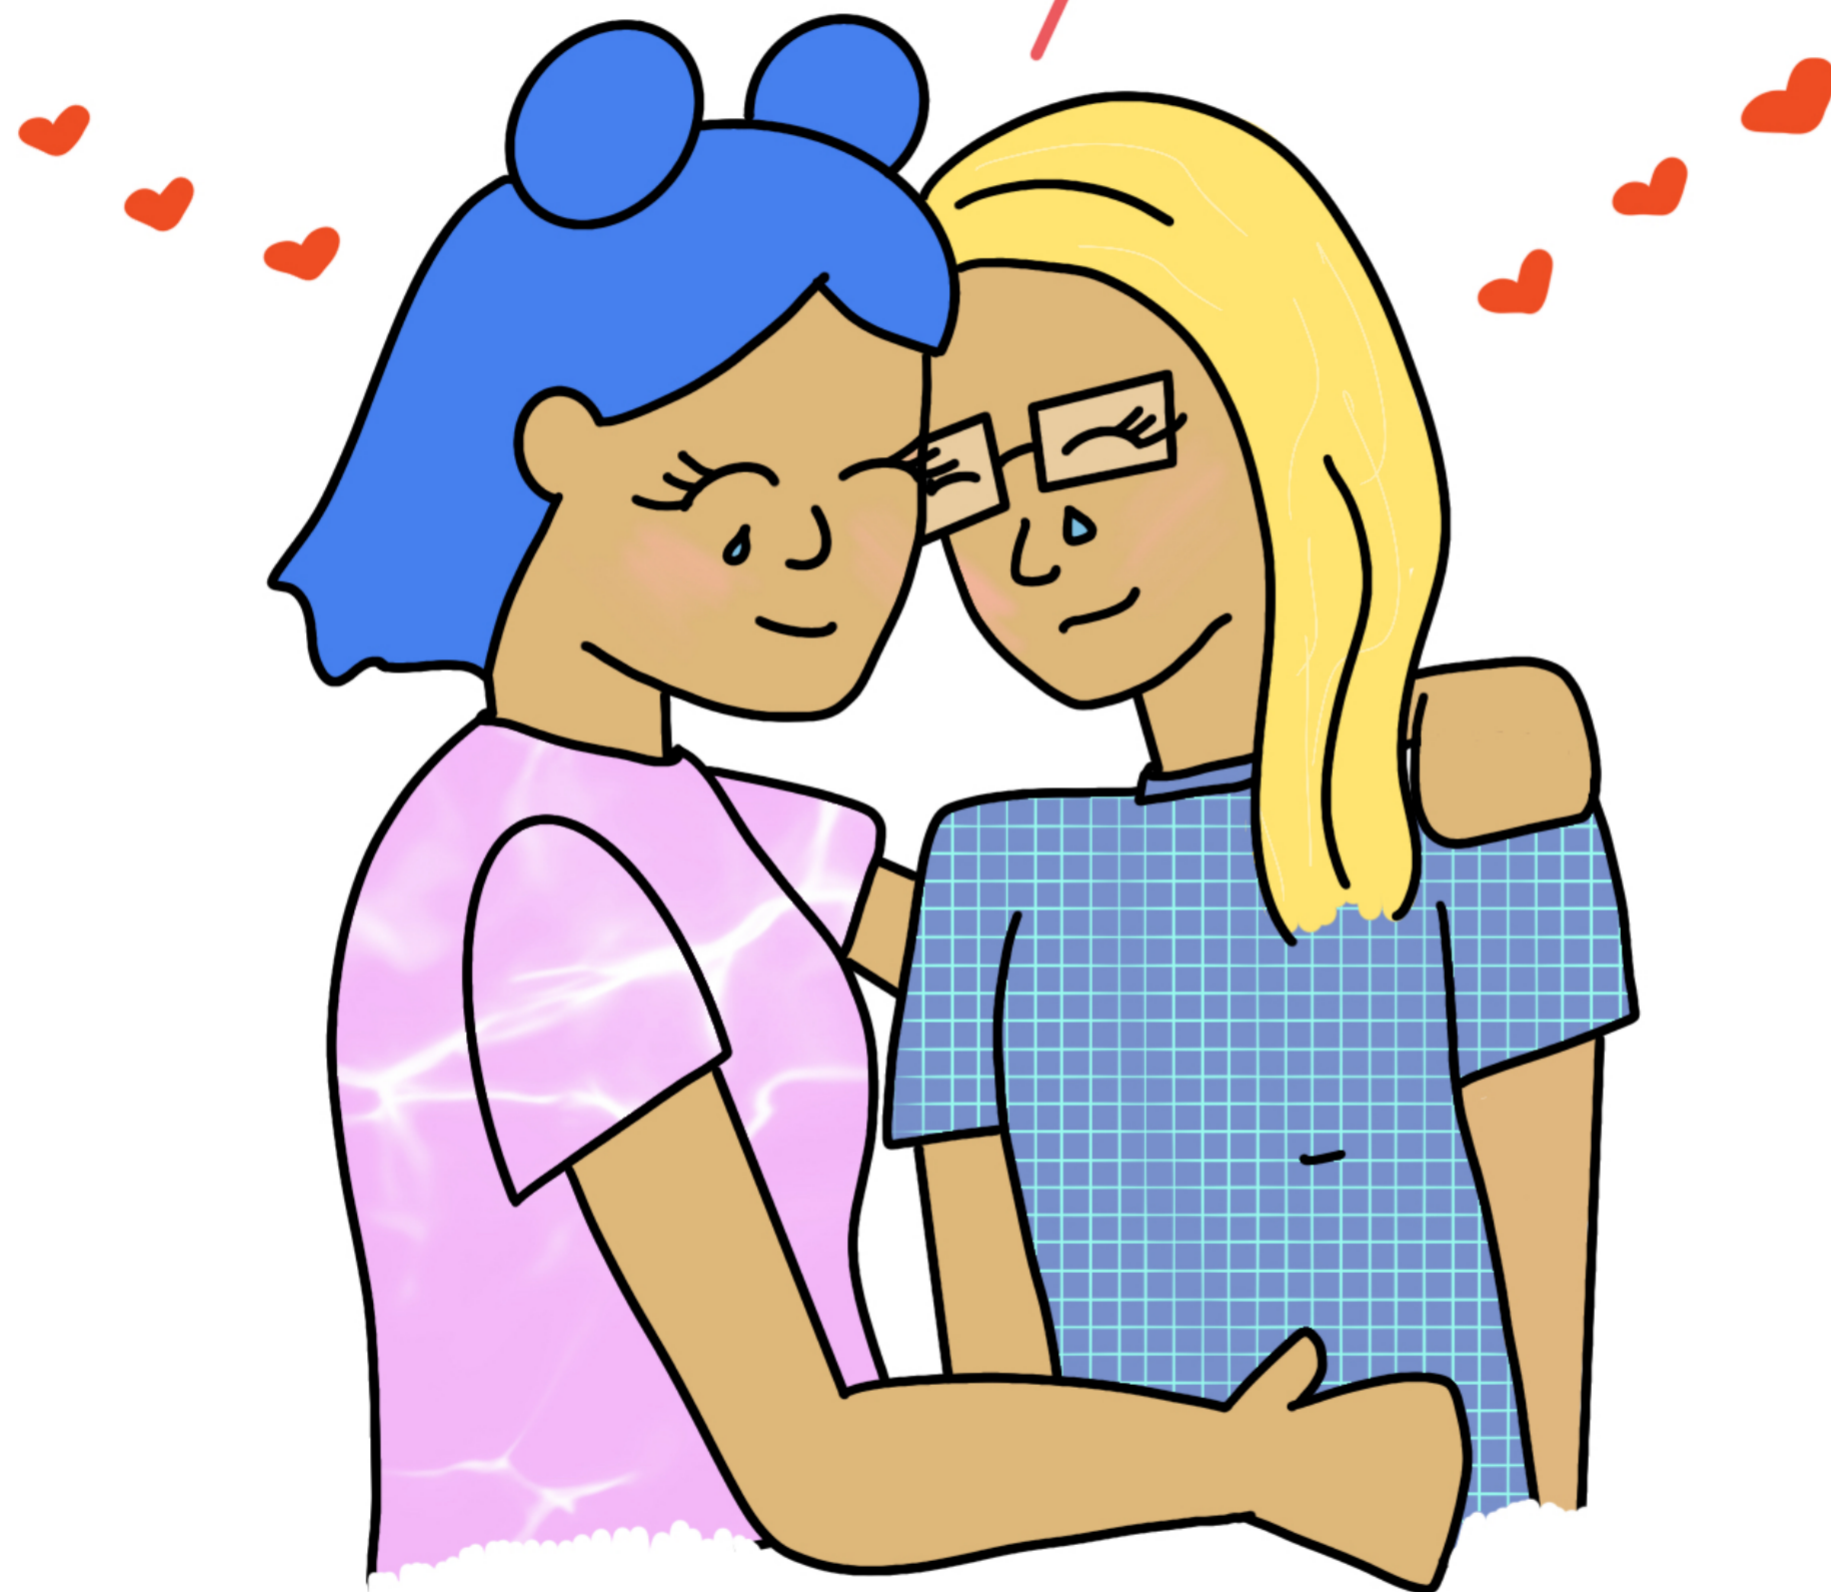

Until Otto was home
Safe and sound.

Sometimes she worried
And didn't want to show

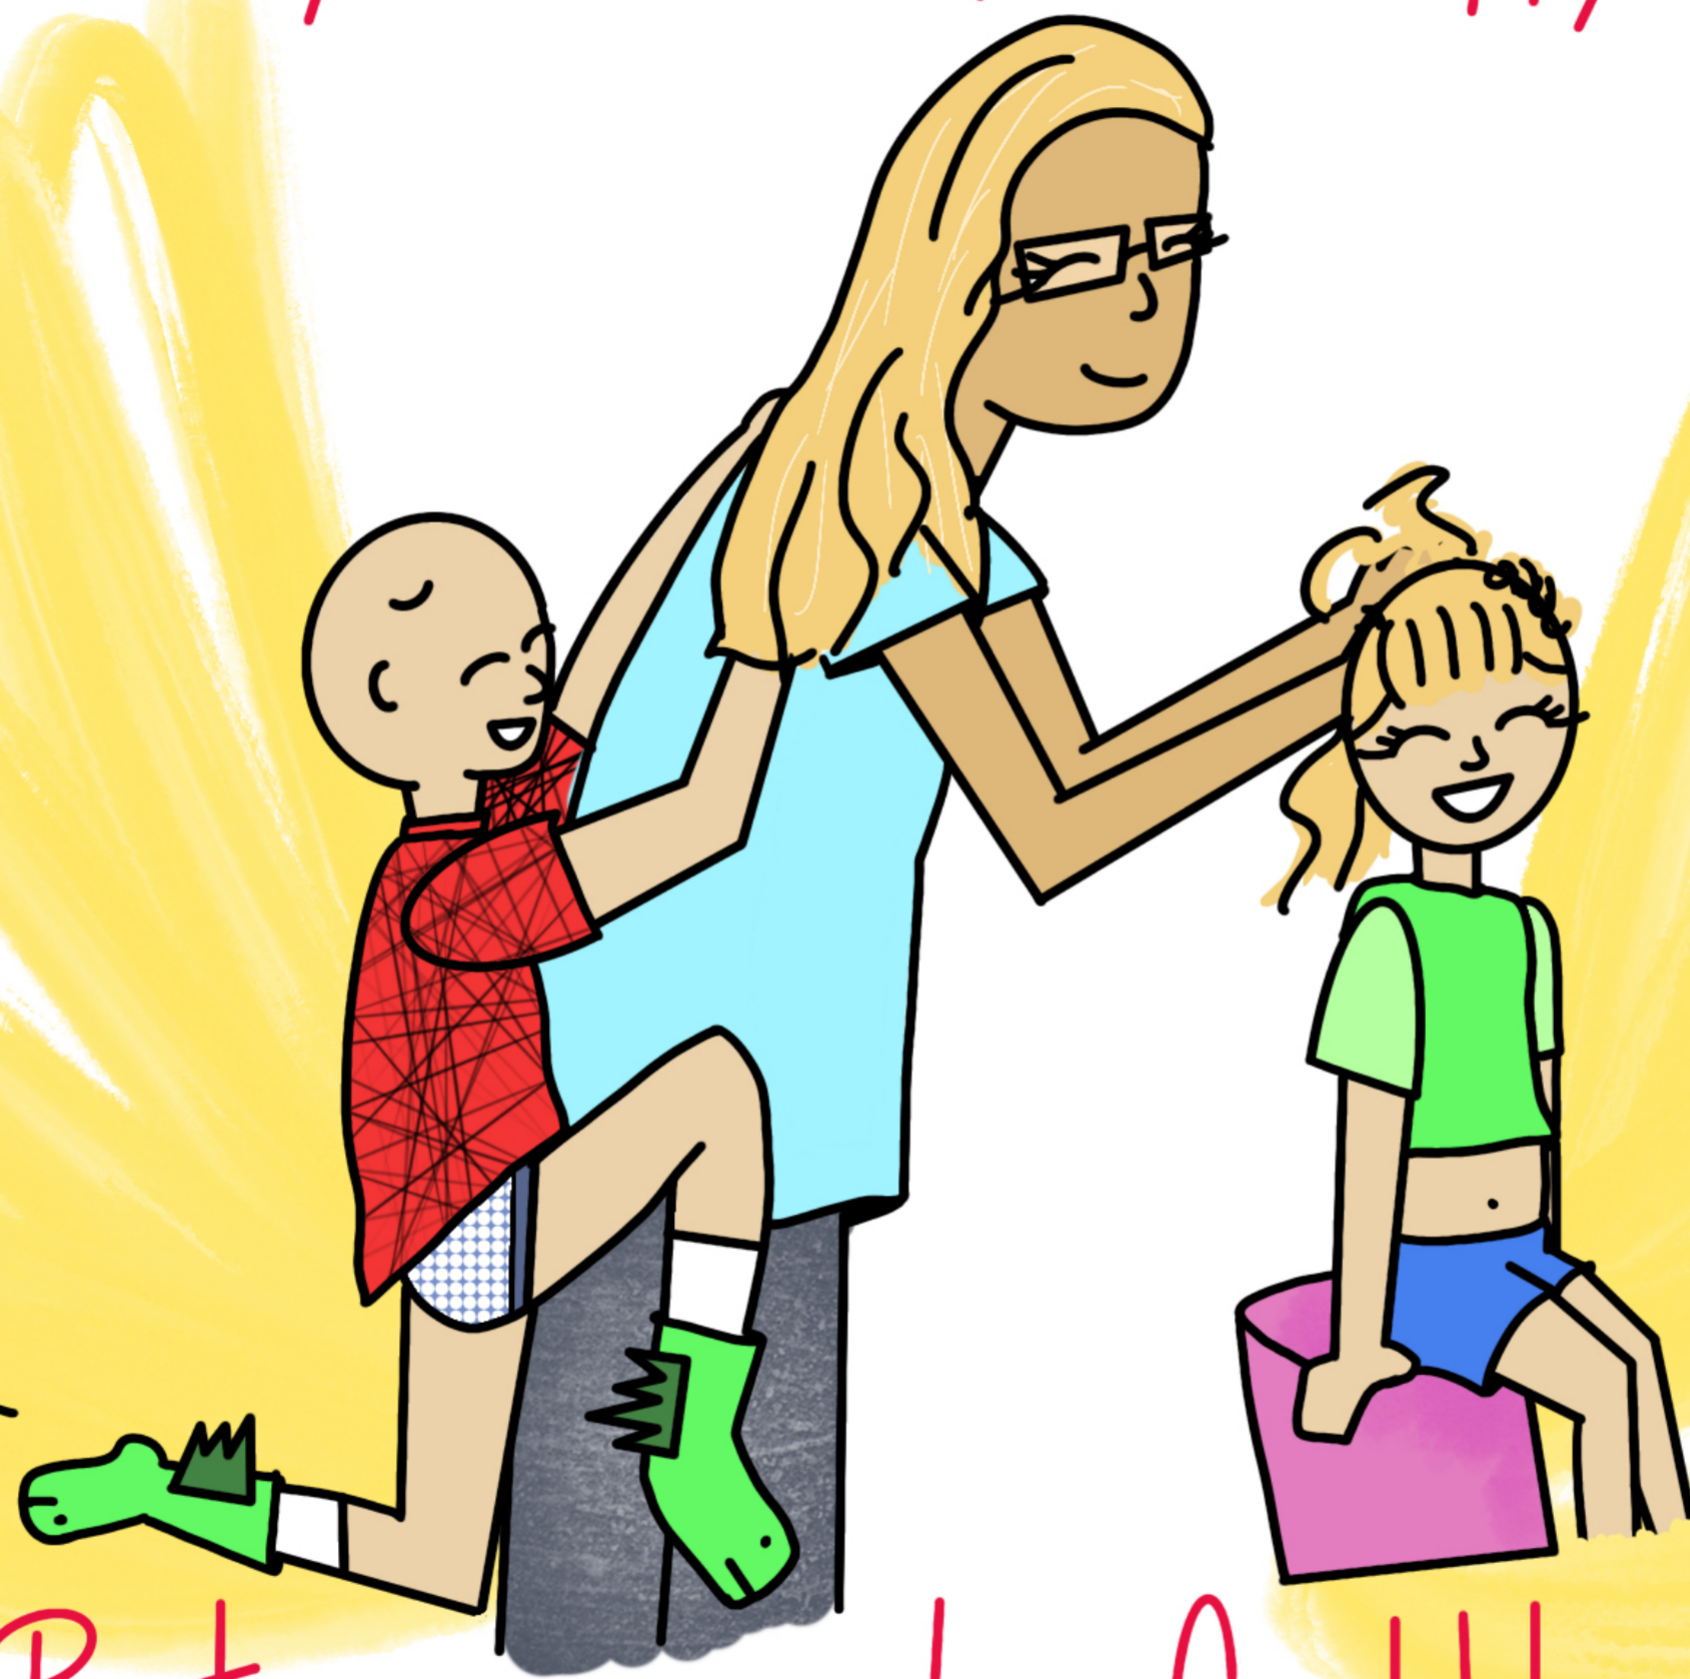

She would get sad
But didn't want anyone to know. 5

But Blue wasn't fooled
And she always knew

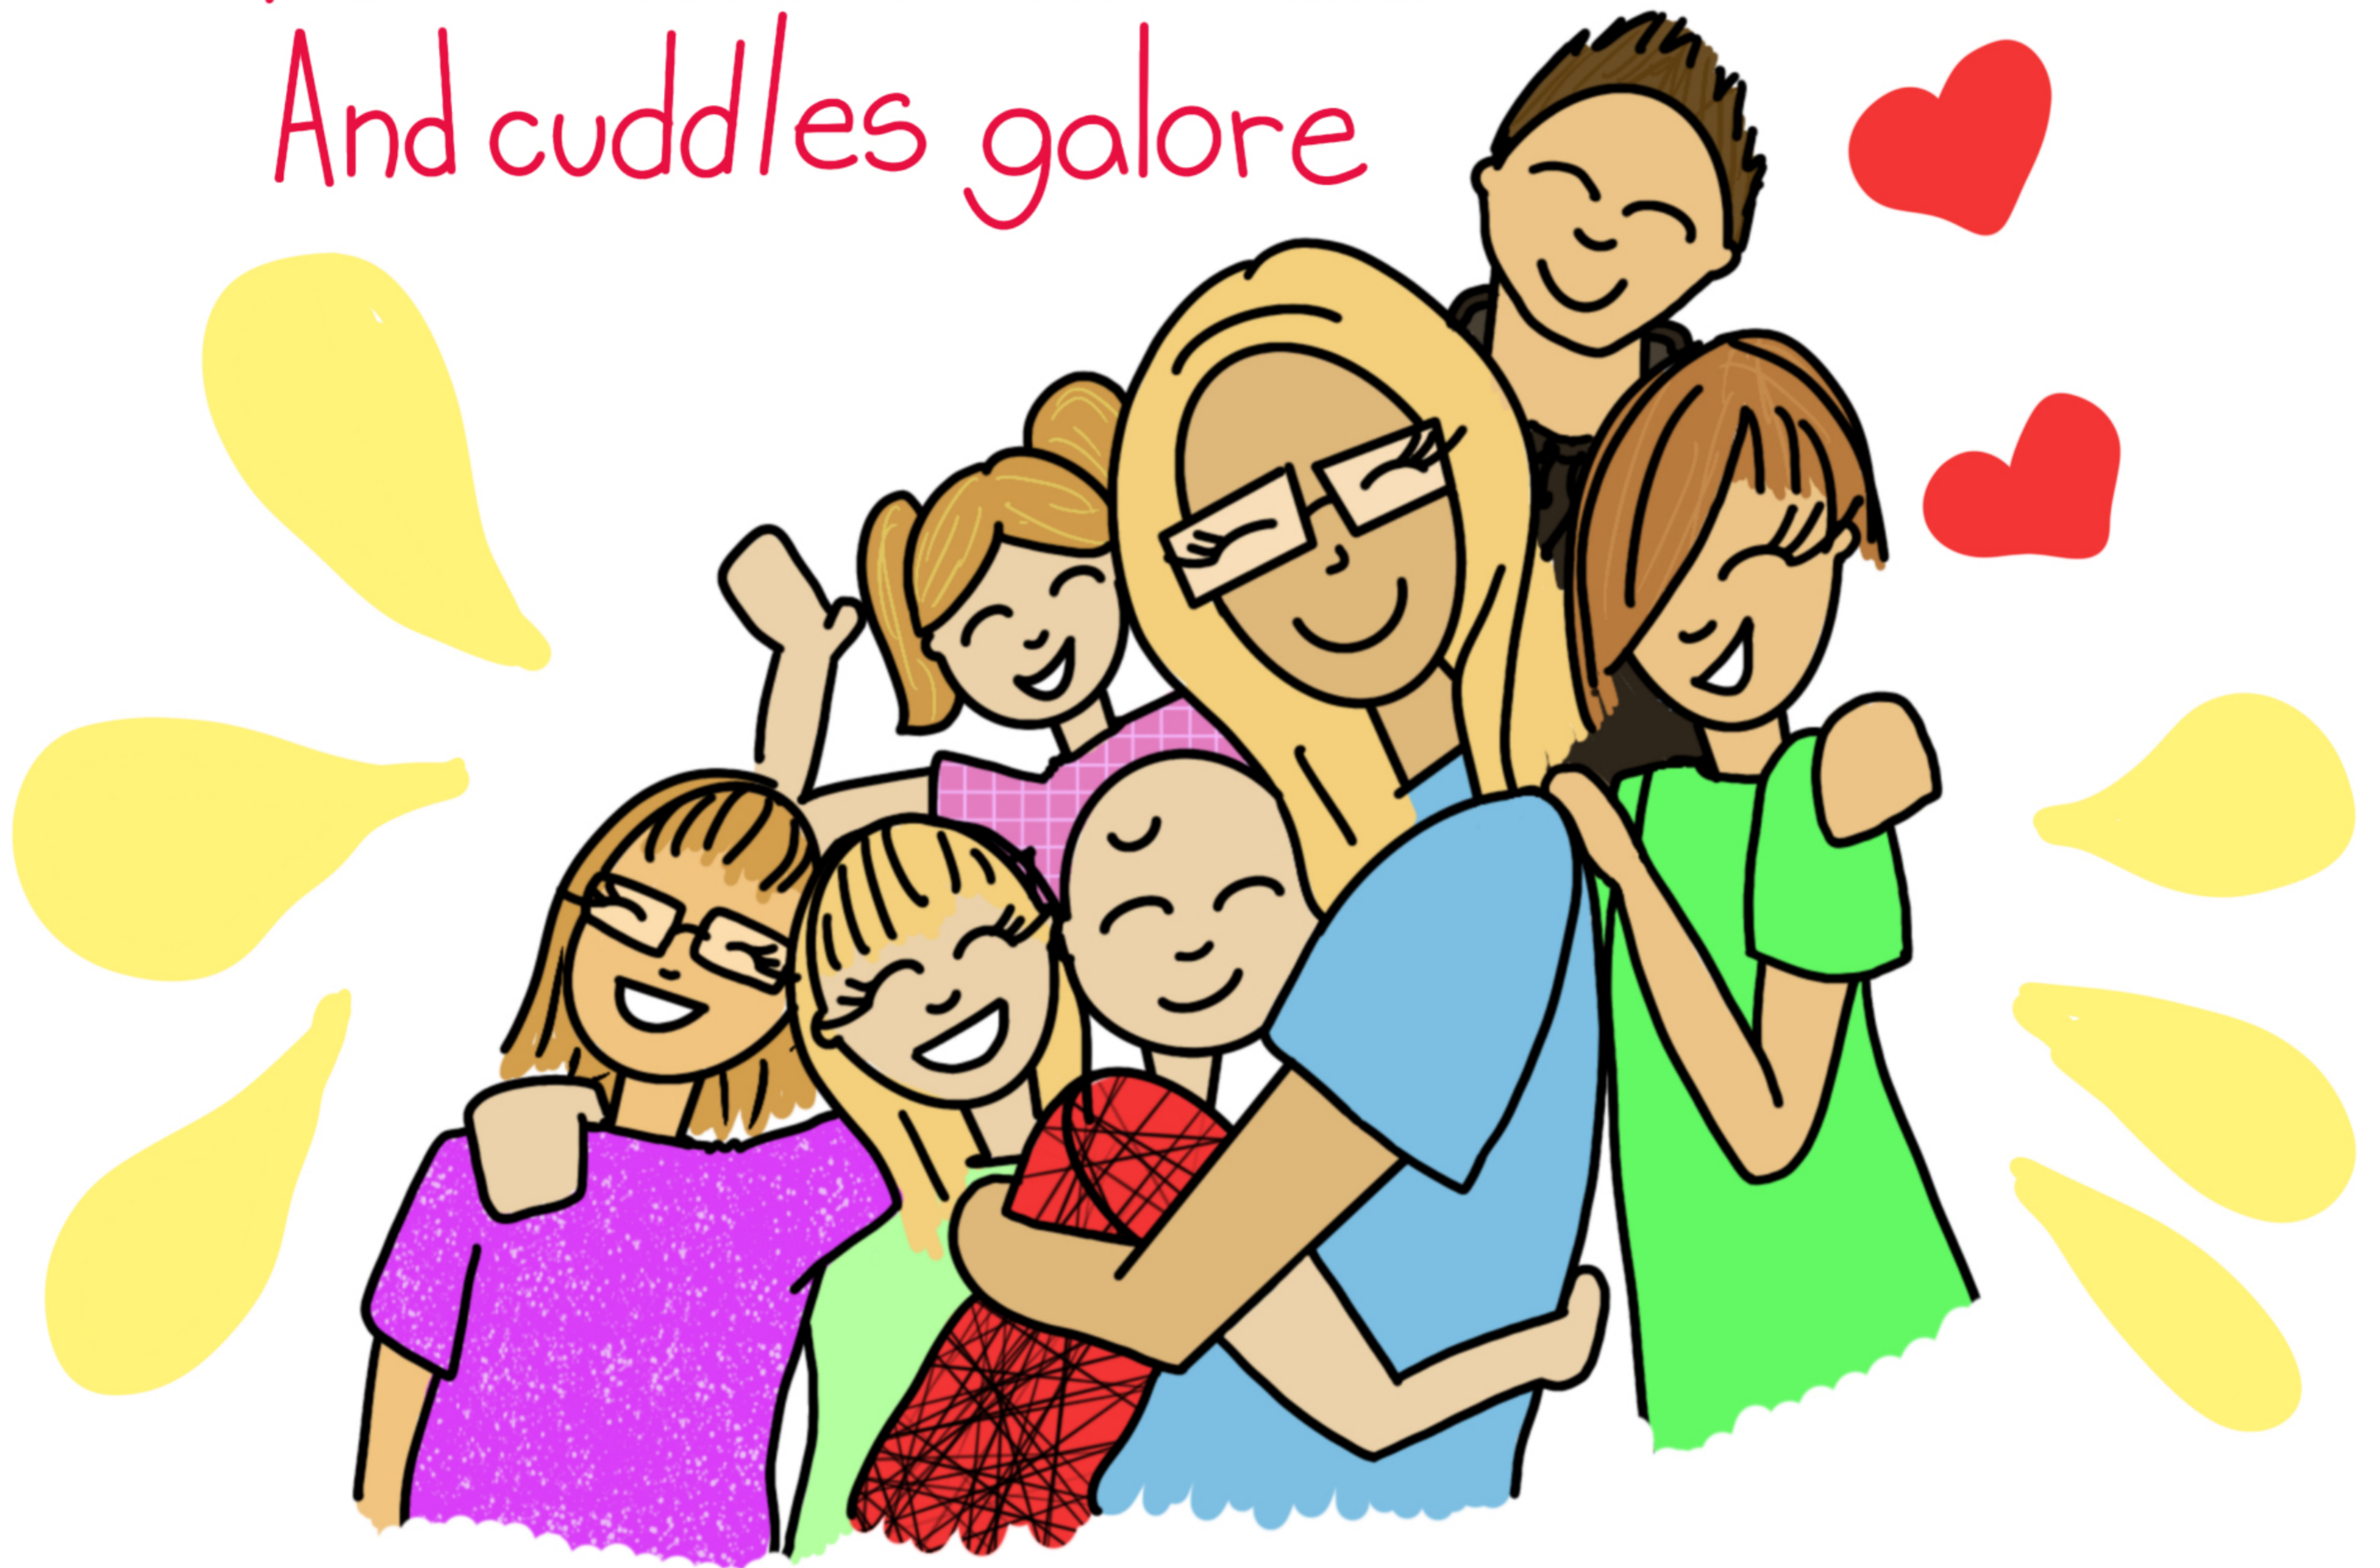

'It's OK Gaga, you can
Get sad with us too.'

'You help us so much,
And you're always so happy.'

'But you can also feel blue,
Because of Otto's chemotherapy.'

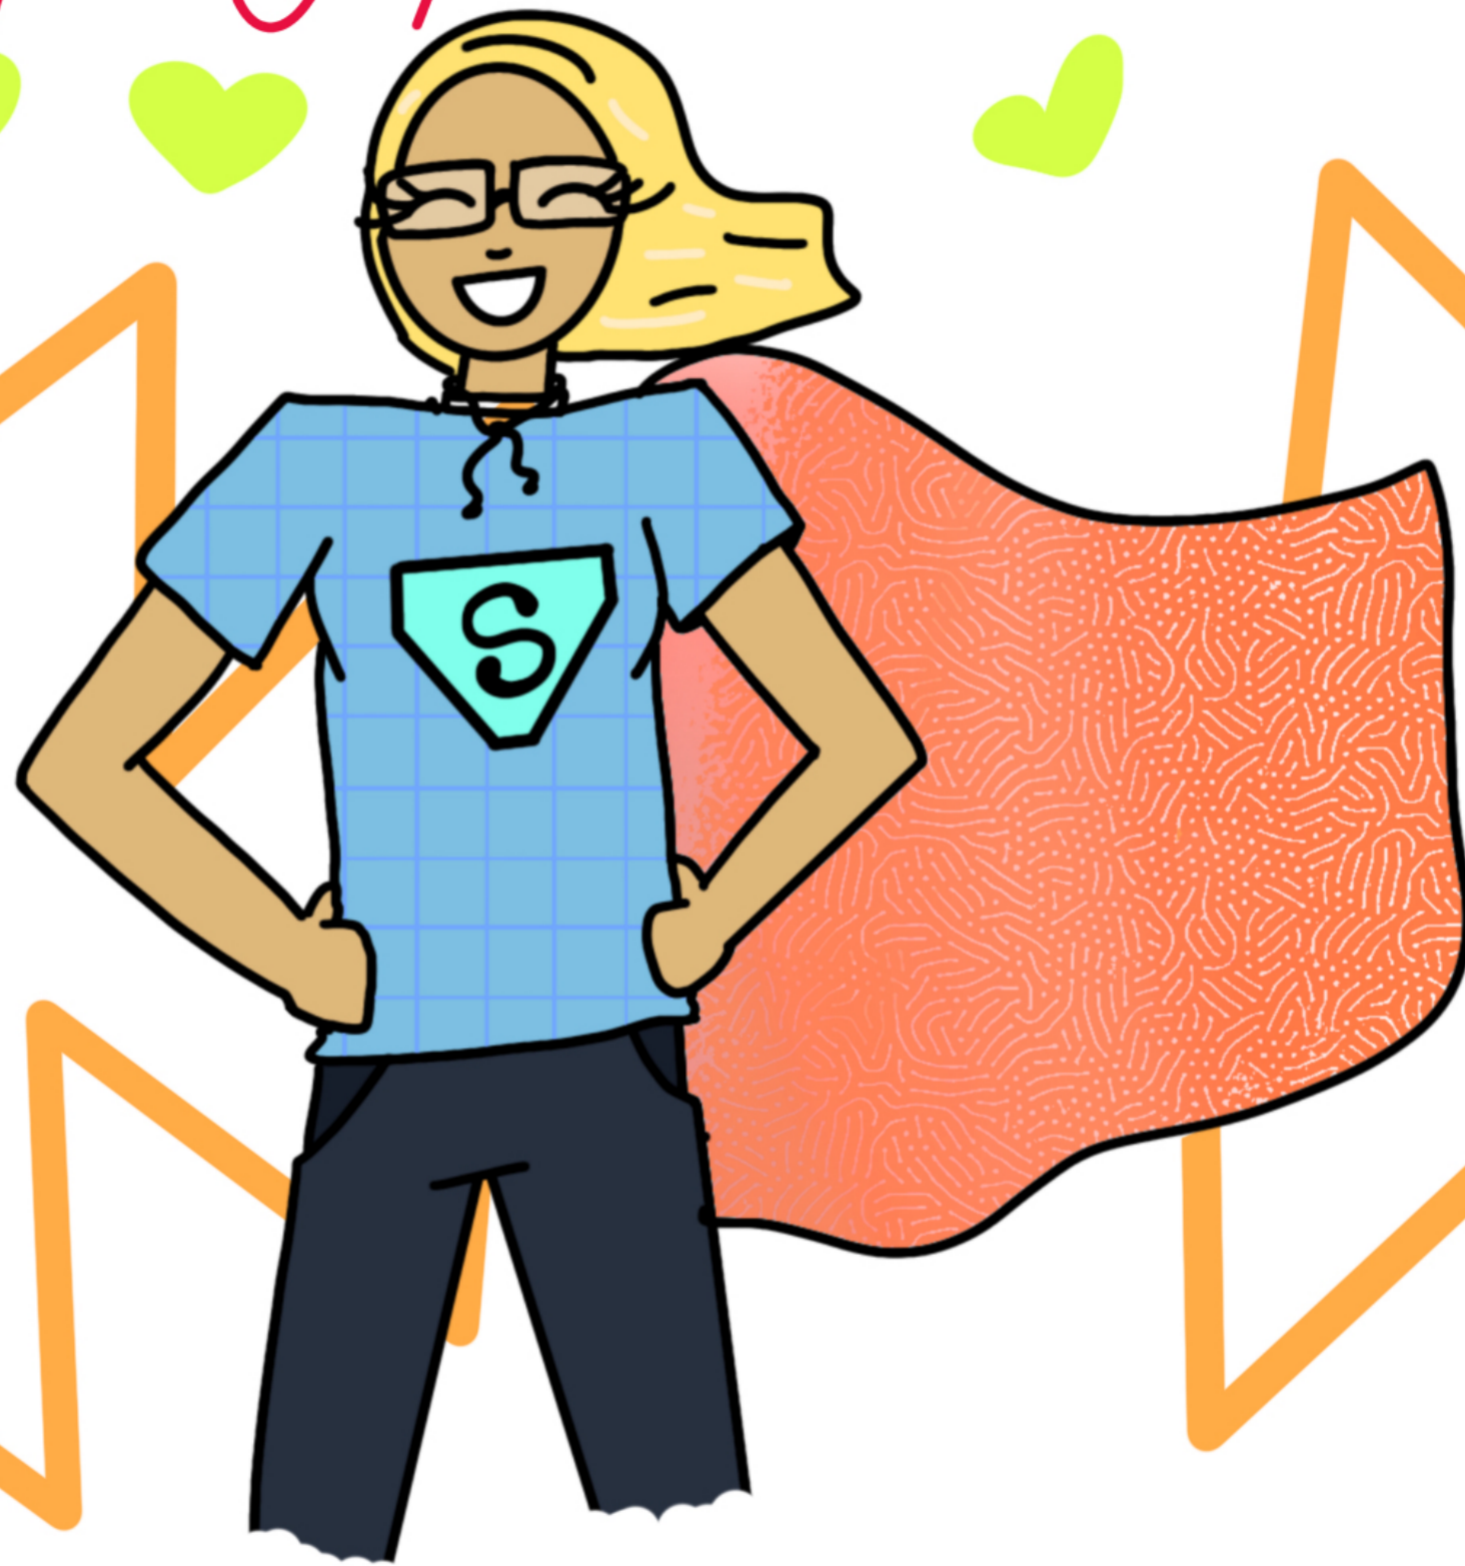

After lots of kisses
And cuddles galore

Gaga felt SUPER
Like never before!

Gaga, thank you for
Everything you do!♡

You're so weird and
We love you for you!♡
